

I NEVER BECAME THE GOOD GUY OF YOUR LIFE

C

I wanted to be the good guy of your life!
D7 **G7** **Fm - C**

When we met, everything was bright
C **Dm**
and we both were tight

C
In the spell of the magic night.
bB **F - G7**

Troubles then, they were far away
C **Dm**
and you were going to stay
C
by my side for the rest of my days.
bB **F - G7**

I wanted to be the good guy of your life!
D7 **G7** **Fm - C**

But how little you know about
Fm **C**
life and reality that will be.
D7 **G7**
and the plans that you're dreamin' then
F **C**
will almost never become reality.
Dm **G7**

I wanted to be the good guy of your life!
D7 **G7** **Fm - C**

Suddenly you were a stranger to me
C **Dm**
that never ever could see
C
and understand how I like things to be.
bB **F - G7**

Our love, that once had been so warm and great
C **Dm**
had turned to endless hate

C
But when we realized it was too late.
bB **F - G7**

I wanted to be the good guy of your life!

But how little you know about
