

# IT'S OVER NOW

F G Fm -

It's over now,

C

The life that you dreamed was made for you.

F

G

It's over now,

C

You have to admit it, at last it's true.

Dm

G

And everything seems regressing!

F C

And life itself so depressing!

F Em

It's over now

C

And worthless is everything you knew.

Dm-F

C

Wanted to be something more than the average,

C F C

felt strong that you had that special gift

C F C

that can lead straight way to fame and to glory,

C F C

that is the ground for the social lift!

E7 Am G7

But life was an ocean

F C

for you to drawn into, slow.

E7 Am

cos no one would listen to you

F C

and year after year just flow.

E7 Am G7

Suddenly you saw bad signs in your mirror,

C F C

your skin had no longer that touch out of gold.

C

F

C

Your hair carried too many straws made of silver,

C

F

C

you couldn't deny that you had become old.

E7

Am

G7

And out from another chamber

F C

came running your own life-lie

E7 Am

in shape of your teenage children.

F C

They stopped then, in front of your cry!

E7 Am G7

It's over now,

C

The life that you dreamed was made for you.
